Be The Second Coming is a timely and timeless “how-to” for connecting to the divine presence that is within each of us.

Practical exercises will help us to see “All as One”, which is the bridge to seeing as a Christ sees. Learn to see the structures, people, animals, and the very earth around us as part of who we are in the largest sense. In seeing this way fears and limitations can drop away, enabling us to relax in a new way, giving us the power to transform our lives and the world we all share.

The author’s story begins as she is told she had agreed to embody Christ consciousness. As her spiritual journey unfolds, she shares conversations she has with Jesus Christ, offering a road map for awakening the Christ within us, thus making the path to Christ consciousness a possibility for each of us.

Poignant, and at times humorous BE THE SECOND COMING captivates and enlightens while it offers insight into what is happening on earth now that supports our embodiment of the Christ.

Learn:

- To see “All as One”
- Jesus’ instructions for manifestation
- To converse with our own guides
- The miraculous power of Christ consciousness

BE THE SECOND COMING creates a vision for a life that is boldly empowering and deeply hopeful by offering a path for a return to heaven on Earth.
