Dealing with her best friend being possessed by the ghost of a star-crossed lover was just the beginning. Returning to a place where she swore she would never set foot again, Tina Barnes is once again dragged kicking and screaming into the realm of the Supernatural. At least she has company this time. In the gripping sequel to 'The Highwayman's Legacy', re-join the usual suspects in a series of ghostly murders that have nothing to do with star-crossed lovers.... And everything to do with destroying anyone who has the potential to stop them.
