Maggie's Wolves, Part Two: A BBW Shifter Romance (Red Mountain Pack Book 2) Cara Morgan
Snowbound with her new mate in a remote mountain cabin, Maggie is in no hurry to get back to the real world. Eli is everything she ever wanted in a mate and more. His one tiny, little flaw is that he comes as part of a package deal that includes four other shifters she's never met. Maggie's not sure if that's a flaw exactly, but she wants a little more time to think it over before she faces the rest of his pack.

Case, the alpha of the Red Mountain pack, has no idea why his second went missing during the blizzard. He only knows that his friend is in trouble. When Case discovers that the trouble is a gorgeous, curvy shifter named Maggie, he's torn between a desire to offer himself as her mate and his fear of losing the rest of his pack if Maggie refuses to claim them all.

This is the second installment of MAGGIE'S WOLVES, a five part BBW shifter romance serial. For adult readers only.
