Mind Control Language Patterns are spoken phrases that can act as "triggers" to the people who hear them. In short, they influence and control how we respond and cause us to be influenced to do things without our knowing. These language patterns are not fantasies but are based on documented uses that come from, psychology, hypnosis, Neuro Linguistic Programming and studies of human behavior. Mind Control Language Patterns can be used to help and hurt. One can use Mind Control Language Patterns to create positive and lasting change in people, as well as feelings of trust, love and affections. They can also be used to induce amnesia, fear, insecurity and doubt. These types of patterns are what we call "dark" pattern.
