Orphans of Tarnalin (Bloodline Magic) (Volume 1) John McDonell

Three young orphans, living on the streets of Tarnalin find themselves fleeing for their lives after pulling off a perfect heist. Little do they know that the incidental theft has triggered a series of events that will lead them across a vast wilderness, where they must combat the elements and face the intrepid beings known as Leks. They gain allies who reveal that all is not as it seems in their world nor, indeed, with themselves. Tragedy and loss plague them as they fight for their very survival; all while echoes of war are brewing to the south. Forbidden magic, lost heritage and ultimate sacrifice are instrumental threads in Orphans of Tarnalin, creating a fortune-twisting tale like no other. Evil forces threaten to end them, but strength, hope and love drive them on. In a world on the brink; one of them holds the key to everything. A key that comes at a fierce cost.
