## Ready Set Grow (Blue's Clues Sticker Book, 3) Alice Wilder

What's "growing on"? Steve and Blue are discovering so many things that are growing in their backyard. Young readers can use the enclosed stickers and join in the hunt for what's growing-under the ground, in a nest, in the pond...everywhere!

Note to Parents from Creators

The goal of this book is to make clear, in the context of a nature walk, that plants and animals grow and develop just like people do. Growth is exciting for preschoolers because it allows them to do so much more. That same excitement can be captured by exploring the invisible process of growth in other living things.
