[Siren Everlasting Polyromance ManLove: Erotic Alternative Fantasy Paranormal Multiple Partner Romance, M/M/M, shape-shifters, HEA] Jason Chase is in trouble. He was sold to the lottery by his own parents, and not the sort of lottery he wants to win, the sort where humans are handed over to dragons during mating season. If Jason tries to run, he will be branded a thief and thrown into prison, which, despite his best efforts, might actually happen. Warrior dragons Draco and Phobos have been searching for their third for over fifty years. They can smell him in the building, and that smell is creating a lust so heavy they can hardly stand it. After tracking him down and finding him in a cell, they're furious. They nearly lost their third because of a screw up, and now their new mission is to fight off the heat inside of them long enough to convince Jason that they are there to protect him, and they will not allow anyone to hurt him so long as they are around. ** A Siren Erotic Romance
