An unexpected threat...

When insurance manager Alexandra Stewart is assigned to the Imperial Resorts Corporation account and has to travel to the island of Santorini, she's worried about keeping the promise she made to her late father. Alexandra swore to keep her real identity a secret and to stay away from her maternal grandfather, a Greek billionaire who lives on the island. However, what Alexandra thought was fate is actually a plot to bring her home.

An undeniable attraction...

The new assignment embeds Alexandra in a deadly game of vengeance and greed that threatens to destroy her grandfather's empire. The only one she can turn to for help is Mark Taylor, the seductively handsome Managing Director of the corporation. Mark is torn between his intense attraction to Alexandra and his promise to her grandfather to guard the secret that could destroy the entire Vassiliou family. His puzzling behavior infuriates Alexandra, but it can't quell her desire.

A startling revelation...

Will Alexandra be able to trust Mark when he has already lied to her once? Will Mark be able to convince Alexandra he's not the enemy? And when the time comes, will he be able to confess the truth to her?
