Why should anyone think of fighting battles in the area of marriage?...Is there anything spiritual about marriage?...Is marriage not a mere union between a man and a woman? Good questions! Marriage is more than a union. There is more that meets the eye when a man who comes from his own background decides to be joined in wedlock with a lady who comes from another background. Beloved, your marriage rises or falls on your ancestry. Unknown to many people, the extent they will go in the area of marriage has been predetermined by their ancestors. And no matter what you have achieved today, there was a day when you came to this world as a helpless infant. Though your navel, which today, has been separated from your umbilical cord may be seen as an ordinary part of the body. It should actually remind you that it was formerly the rope that tied you to your parents and by extension, your ancestors who lived hundreds of years ago. This is a deep spiritual understanding you must not ignore. Just as there is no human being without a navel, there is no man or a woman who was not formerly linked to his or her parents through the umbilical cord.
