While their mothers may tell them to date a nice white boy, deep down every white woman desires to have a strong, sexy, well-hung black man as her sex partner. This collection contains eighteen (18) short stories involving powerful black stallions giving white wives the glorious black magic that they so desperately crave. These women are fertile and in many cases they made their husbands get vasectomies, so if they get pregnant their nice guy husbands will be raising black babies. If you get turned on by the idea of fertile white wives having sex with strong, sexy black studs, and if you enjoy reading hot, sexy romantic stories of interracial sex, this collection is for you!
