## **Christopher Killer: Forensic Mystery 1** Alane Ferguson

The sleepy Rocky Mountain town of Silverton, Colorado hasn't seen a murder in years—according to Pat Mahoney, the county coroner. So when his teenage daughter, Cameryn, asks if she can be his assistant—as preparation for a career in forensic pathology—he figures it's a safe bet. But neither of them imagines that their first case will involve someone Cameryn knows . . . the fourth victim of a serial killer.

Attending her first autopsy is more difficult than Cameryn had ever expected, but she's determined to find her friend's murderer. Before long, Cameryn is plunged into a disturbing mystery, matching wits with everyone from the cantankerous medical examiner who doubts her abilities to the famous psychic who is predicting yet another death—*soon*.

Edgar-award winner Alane Ferguson has written a smart and fascinating forensic mystery.
