Countee Cullen: Collected Poems: (American Poets Project #32)

Countee Cullen

Countee Cullen: Collected Poems: (American Poets Project #32) Countee Cullen

A major and sometimes controversial figure of the Harlem Renaissance, Countee Cullen fused a mastery of the formal lyric with a passionate engagement with themes social, religious, racial, and personal in such books as *Color*, *Copper Sun*, and *The Black Christ*. Certain of his poems—“Heritage,” “Yet Do I Marvel”—are widely celebrated, but much of Cullen’s work remains to be discovered. This volume restores to print a body of work of singular intensity and beauty.

This is volume #32 in The Library of **America’s American Poets Project** series.
