Freelance writer and divorced father Cale Carson looked forward to spending the summer traveling the country with his 13 year-old daughter Leah. However, their plans were destroyed when Leah is diagnosed with cancer and Cale is confronted with every parent's worst nightmare: The imminent death of his child. As Leah's illness progresses, Cale, devastated and desperate, reaches out to an online forum for cancer victims. A mysterious emailer responds and promises a miraculous cure for Leah's disease. But when she arrives, she brings more questions than answers and is trailed closely by a ruthless assassin that won't let anything stand in the way of his mission. Forced to flee with Leah and the enigmatic emailer, Cale is branded a kidnapper and they are swept up in a frantic flight across the country. They must evade law enforcement, escape a relentless killer and survive an unremitting enemy in a deadly race against time. Is there a miracle cure? And what will catch up to them first?
