Julius Caesar

Caesar: Gallic War VI (Latin Texts) (Bk.6) Julius Caesar

Book VI of Caesar's description of his campaigns in Gaul deals with events of 53 BC, the year after his major expedition to Britain. He suppresses revolts in Northern Gaul and crosses the Rhine to deal with marauding Germans, then pursues the chieftain Ambiorix into the Ardennes, leaving Q. Cicero (the orator's younger brother) at Arduatua with the Fourteenth Legion where the camp is attacked and casualties inflicted by German forces. The central section contains a description of the customs of the northern Gauls and Germans, in particular the practices of Druidism.

Full annotation on linguistic matters, and a comprehensive vocabulary, makes this book ideal for post-beginners tackling their first Latin prose, or preparing for examination.
