Confessions of a (Female) Chauvinist Rosemary Daniell

Rosemary Daniell is the epitome of the rebel Southern female who still embraces her roots, and it is that love-hate relationship that is at the deepest core of her creativity. Framed by her groundbreaking work in *Fatal Flowers* and *Sleeping with Soldiers*, this collection of Daniell's most powerful essays is a milestone that explores what happens when a Southern woman breaks the rules. In *Confessions of a Female Chauvinist*, Daniell leads women on a journey to help them reclaim-or claim for the first time-their creativity. From the first real coverage of the feminist movement in the South to an account of the Jim Williams murder trial that became *Midnight in the Garden of Good and Evil*, these essays confront the bedrock issues that define women in contemporary society.
