Neville Goddard  
Long before "The Secret" and the Law of Attraction craze, there was Neville Goddard (1905-1972). He taught that humans are powerful beings, able to create their own reality through the power of imagination. He was enormously popular and taught on both TV and the radio, while giving lectures in New York, San Francisco and Los Angeles. NEVILLE'S BOOKS: Neville wrote 10 books and all are included on this DVD: At Your Command, Awakened Imagination And The Search, Feeling Is The Secret, Freedom For All, Out Of This World, Prayer - The Art Of Believing, Seedtime And Harvest, The Law And the Promise, The Power Of Awareness, Your Faith Is Your Fortune and Creative Use Of Imagination BONUS AUDIOS: There are 49 of Neville's recorded talks on this DVD. These are in his own voice and are recordings of talks he made while speaking to capacity audiences. BONUS LECTURES: also included are transcripts of 31 of his talks. You can see details of the bonuses on the attached images. HOW TO USE: Neville emphatically stated that the last five minutes of the day are the most important because we want to go to sleep with our goal in mind. I have loaded Neville's works on my Nexus 7 tablet and read a few minutes of his words before going to sleep at night. FORMAT: text files are in PDF format and the audio files are MP3s. HOW TO PLAY: this DVD-Rom will play on your laptop or desktop. Or you can transfer the files from your computer onto your iPad, Nexus tablet or smartphone. You need a device with a screen to read Neville's books so it will \*NOT\* play in a car or other device that doesn't have that necessary display. This DVD is \*professionally mastered and produced\* without paper labels that can over time come loose and damage your player or disk.
