## **Piercing y Tatuajes (Spanish Edition)** Adolfo Perez Agusti

¿En dónde podemos enclavar el piercing? ¿Es un arte, una forma de expresión, una acentuación de la personalidad o, simplemente, una rebeldía a las formas sociales? Si lo catalogamos como arte, deberemos considerar a quienes lo trabajan como artistas, quizá al mismo nivel que un escultor. Sin embargo, es difícil considerarlo como tal, pues entonces cualquiera que se dedique a embellecer el cuerpo, sea un peluquero o un modisto, también entraría en esa categoría. Plantearemos mejor la interrogante desde este prisma: cuando un pintor pinta un cuadro indudablemente ha creado una obra artística, incluso aunque no lo venda, pero cuando este cuadro es colgado en el salón de un hogar el comprador ha intentado resaltar su personalidad. Si ha encontrado belleza en esta obra es porque se identifica con ella, con sus colores y formas, por lo que intenta que sea también una forma de expresión. Si lo representado es un paisaje querrá demostrar su interés por la naturaleza, del mismo modo que quien compra un desnudo indudablemente es alguien para quien el sexo es parte vital en su vida. En este libro, asesorado por expertos, se describen los sistemas y modalidades para pintar y modificar estéticamente nuestro cuerpo.
