Pure Drivel Steve Martin

In this ingeniously funny collection of humorous riffs, those who thought Steve Martin's gifts were confined to the screen will discover what readers of *The New Yorker* already know: that Martin is a master of the written word. Hilariously funny and intelligent in their skewering of the topic at hand, these pieces, some of which first appeared in *The New Yorker*, feature Martin at his finest. With a playwright's ear for dialogue, a sense of irony only Martin could muster, and a first-class comic ability to perfectly time the punch line, *Pure Drivel* will have listeners crying with laughter, and marveling at the fact that in addition to all of his many talents, Steve Martin is also a superb writer.
