**Engendering Business: Men and Women in the Corporate Office, 1870-1930 (Gender Relations in the American Experience)** Angel Kwolek-Folland

In *Engendering Business*, Angel Kwolek-Folland challenges the notion that neutral market forces shaped American business, arguing instead for the central importance of gender in the rise of the modern corporation. She presents a detailed view of the gendered development of management and male-female job segmentation, while also examining the role of gender in such areas as architectural space, office clothing, and office workers' leisure activities.
