Falconfar (Falconfar Saga) Ed Greenwood

Science Fiction writer, Rod Everlar, is lost in a magical world of his own creation. He is believed to be the "Dark Lord" of legend, able to hurl world-shattering spells, is feared and hated by everyone . . . but can't cast a single spell. In this third installment of the Falconfar Saga, Everlar faces his greatest challenge. The evil wizard Malraun's tower is falling around his ears, and the evil wizard Narmarkoun is seemingly defeated. As Falconfar descends into war, Rod must find the power and the knowledge to fight the first Archwizard, the most feared of the Dooms: Lorntar. "The richly detailed world of Falconfar might just convince you that Ed Greenwood, like the Dark Lord hero of this tale, does not create fantasy realms: he discovers them."--Elaine Cunningham, New York Times bestselling author.
