## **Hard at Work: Spy Cam Secrets Volume 1** Dixie Chambers

Amber Burns is a successful but lonely accountant in a large pharmaceutical company, still feeling the heartbreak from her college romance. After moving to the big city, she encounters a young personal trainer who gives her deep and satisfying pleasure before revealing his true nature. After being treated badly by her trainer, Amber decides she is done with men. She turns to pleasuring herself with her extensive collection of vibrators, even at work, until she learns that someone in the office has been watching her and wants to lend a hand . . . and more.

A taste...

Somewhere in the back of her mind, she realized that her cotton panties were completely soaked with her juices. She could smell her own arousal, and was certain that Jake could as well. As if on cue, his hand disentangled itself from her hair, slid down her sweating back, and peeled her yoga pants and steaming panties down to her knees while he continued to fuck her mouth. He was certainly flexible! His strong, rough hand pulled at her ass cheek, spreading her open. She felt a rivulet of moisture run down her leg as he inserted his thumb into her moist pussy from behind. When his middle finger found her swollen clit, she lost control. His cock fell from her mouth as she gasped with pleasure.

“I need you inside of me right now,” Amber said, rising to her feet.
