When a relationship trespasses the boundaries of trust, the consequences are complex in this nuanced page-turner from “a formidable talent” (*Booklist*).

If Coley Sterling’s best friend would stop hating her, if her dance-team captains would lighten up, if her friends would stop asking her about Reece, the geeky sax player she’s crushing on—then her life would be perfect. Right? After all, Coley’s stepdad is a successful attorney who gives Coley and her siblings everything, and her mother will stop at nothing to keep them all happy and safe—including having escaped ten years ago from the abuse of Coley’s real father.

But Coley is keeping a lot of secrets. She won’t admit—not even to herself—that her almost-perfect life is her own carefully crafted façade. Now, Coley and Reece are getting closer, and a decade’s worth of Coley’s lies are on the verge of unraveling—along with the life she thought she knew.
