Loyalty has its price. Stripped of rank and honor, a chance encounter sets one man on the road to redemption and a child on a collision course with destiny.

After years of faithful service Engle, captain of the royal guard, is stripped of his command and banished to a barren land. In a dangerous bid to regain favor, he returns home with an urgent warning for the king. Along the way he crosses paths with a young orphan and is duped into making her his squire. Fiery, secretive and carrying a pouch full of glowing blue stones, Athaliah is far more than meets the eye.

Together they share a common heritage, both born of a race people despised and feared for their skill with a bow and heritage of uncommonly gifted healers.

A plague of violent attacks systematically strip Athaliah of everyone she has ever loved leaving a wake of destruction. Engle vows to protect her, taking her deep into hiding in a forgotten land only to discover that her secrets are far more dangerous than his.

Will he survive to know the truth or become yet another victim of a genocidal war?
