Evita (Spanish Edition) Marysa Navarro

Es difícil imaginar una personalidad argentina del siglo XX aunque genere más controversias y pasiones que Eva Perón. Amada y odiada con la misma intensidad mientras estuvo en el poder, mitificada y repudiada desde su muerte en 1952, Evita se ha convertido en un icono político y social. Su figura ha sido reivindicada por sectores políticos en apariencia inconciliables, y sin ella, ni el peronismo ni el antiperonismo habrían sido lo que fueron (y lo que son). Al mismo tiempo, este lugar central dentro de la historia argentina de la segunda mitad del siglo XX parece haber sido la causa de un largo rosario de malos entendidos, omisiones, investigaciones falaces, y a veces lisa y llanamente mentiras orquestadas, por dedicación o como fruto de una ignorancia militante. Es decir, adoradores y detractores han conspirado para urdir un mito extremo, donde la verdad histórica pocas veces aparece. Esta ejemplar biografía de Marysa Navarro destesteje esta trama (hecha de fanatismos, ligerezas y malicia) y repone a Eva Perón en su tiempo y en su dimensión política, social y personal. No hay aquí una mirada complaciente ni prejuiciosa, sino algo mucho menos usual: un extraordinario trabajo de investigación, un espíritu crítico de comienzo a fin y una escritura limpia, precisa, que no cede a los facilismos. La suma de todo eso da por resultado una obra insoslayable, la más aguda y seria que se haya escrito sobre Evita

From reader reviews:

Dennis Fleenor:

Hey guys, do you desire to find a new book to read? Maybe the book with the title Evita (Spanish Edition) suitable to you? The actual book was written by a well-known writer in this era. The book titled Evita (Spanish Edition) is the one of several books which everyone reads now. This book has inspired many men and women in the world. When you read this guide, you will enter the new dimension that you have never known before. The author explained their strategy in a simple way, thus all people can easily be aware of the core of this book. This book will give you a lot of information about this world now. To help you see the representation of the world in this particular book.

Henrietta Roderick:

Reading a book for a new lifestyle in this year; every person loves to go through a book. When you go through a book, you can get a lot of benefit. When you read ebooks, you can improve your knowledge, mainly because a book has a lot of information in it. The information that you will get depends on what sort of book that you have read. If you wish to get information about your exam, you can read education books, but if you want to entertain yourself, look for fiction books, these include novels, comics, as well as more. The Evita (Spanish Edition) provides you with a new experience in reading a book.

Carla Heyward:

In this time of globalization, it is important for someone to get information. The information will help someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of sources to get information, for example: internet, classifieds, books, and more. You will see that now, a lot of publishers that will print many kinds of books. The book that is recommended for you is Evita (Spanish Edition); this guide consists of a lot of information about the condition of this world now. That book was represented as how the world has grown up. The terminology styles that the writer uses to explain it are easy to understand. Typically, the writer made some investigation when he made this book. Honestly, that is why this book suited all of you.

Kevin Adams:

That book can make you feel relaxed. This particular book Evita (Spanish Edition) was multi-colored and of course has pictures on the website. As we know that book Evita (Spanish Edition) has many kinds or varieties. Start from kids until teens. For example, Naruto or Detective Conan, you can read and think that you are the character on there. So, not all books are generally made to bore you, any of them offers up to you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading that will.
