Independence Day: A Dewey Andreas Novel Ben Coes

“Coes blows the competition away”?*Brad Thor*

Cloud, the code name a high-level Russian hacker, has acquired a nuclear weapon. It’s an older bomb from the USSR’s Cold War arsenal with the power to devastate a major city. Fueled by a dark and personal vendetta, Cloud has put it onto an anonymous trawler, piloted by jihadists, headed straight to America.

“Explosive from beginning to end.”?*Bookreporter*

Dewey Andreas, a former Delta working as an agent for the CIA, is still grieving the murder of his fiancée. He’s lost his focus, his edge and the confidence of his superiors. But when an overseas mission to capture Cloud goes awry, Dewey becomes America’s last hope of putting a stop to the bomb. Now it’s up to Dewey to put his past behind him and risk everything to find one of the world’s most elusive enemies...or witness a terrorist attack timed to coincide with the country’s biggest holiday: Independence Day.

“Coes is in the same league as Brad Thor and Vince Flynn, and this high-octane race against time will have plot-driven thriller readers unable to turn the pages fast enough.”
