## **Issues in Economics Today** Robert Guell

Guell's *Issues in Economics Today* presents economic theory brought to life through current issues with an engaging, conversational style. The 7th edition includes 8 theory chapters introducing the core topics in microeconomics and macroeconomics, and a selection of 35 short issues chapters, from which instructors can pick and choose the issues of most interest to their students. This format allows maximum flexibility for instructors to lay a foundation of theory first or dive right into coverage of today's current issues. In addition, issues can be organized along themes such as social policy, election year issues, international issues, and business issues, or combined with outside content. Guell's 7th edition provides content that is timely and relevant for students, flexible enough to fit any course design.
