Just Like Gas ... This Too Shall Pass!: Pass it on. Not the gas, the laughter! (Children's Edition) Sharon J. Hamovitz

With a classic wit, Sharon Hamovitz addresses the subject of gas, the intestinal kind, with a matter-of-fact humor sure to make children of all ages giggle. Without getting graphic, Hamovitz introduces various circumstances where passing gas just happens to humans and animals alike. And she does it all in rhyme! She also presents various circumstances familiar to kids, from having nightmares to having to clean their rooms. Children will delight in the colorful and silly illustrations, beautifully rendered by Patti Colwell, as they identify with many of the scenarios presented in the book. As with the classic fables, Just Like Gas... This Too Shall Pass!!! presents a moral, teaching kids that no matter what they're going through, they'll get through it. The title's many translations give the book an international flare with translations in Portuguese, French, Dutch, Japanese, German, Hebrew, and more! Included in the book are 'Positive Mental Attitude' cards to cut out and pass out. Hamovitz encourages others that if they change their attitude, they can change their lives with the message, "No matter what you are going through... things change! You can do it! You'll get through it! Just Like Gas... This Too Shall Pass!!!"
