Parched

Heather King

Parched Heather King

One woman's journey to the bottom of the bottle-and back again.

In this moving, emotionally charged, and unflinching look at alcoholism and its effects, lawyer and prominent National Public Radio writer and commentator Heather King describes her twenty-year-long descent into the depths of addiction with wit and candor. King went from a highly functioning alcoholic who managed to maintain her grip on reality to living in the lowest of dive bars, drinking around the clock and barely sustaining an existence. With help from the most unexpected source, King stopped her self-destructive spiral and changed her world for the better. This is the poignant, painfully honest, and inspirational true story of a woman who looked into the abyss, and was able to step back from the edge and reclaim her life on her own terms.

From reader reviews:

Gerri Townsend:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to you actually is you don't know which one you should start with. This Parched is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Kevin Strickland:

Now a day individuals who Living in the era everywhere everything reachable by connect to the internet and the resources inside it can be true or not require people to be aware of each info they get. How a lot more to be smart in getting any information nowadays? Of course the correct answer is reading a book. Reading through a book can help men and women out of this uncertainty Information specifically this Parched book because this book offers you rich information and knowledge. Of course the details in this book hundred pct guarantees there is no doubt in it you may already know.

Robert Hatch:

Information is provisions for people to get better life, information nowadays can get by anyone from everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is inside the former life are difficult to be find than now is taking seriously which one would work to believe or which one often the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Parched as the daily resource information.

Tasha Banda:

Is it you who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This Parched can be the response, oh how comes? It's a book you know. You are so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
