Relics of War: A Legend of Ethshar Lawrence Watt-Evans

Young Ishta found it in the forest, buried beneath dead leaves: a rounded, flattened stone as black as onyx. One side held a golden oval that glowed with a unnatural light. Of course, it had to be magic.

But what did farmers know of magic? It could be dangerous, or it could be some harmless toy. They had to find out.

Since Ishta was too young to bring her discovery to the Baron of Varag's stronghold, her older brother, Garander, went instead. Once there, Azlia, a beautiful wizard, recognized the stone immediately as Northern sorcery. She had to call Sammel, the local sorcerer, to find out its nature ... a relic of the last great war.

When the Baron takes the stone for himself, that should have ended things. But it was just the beginning for Garander. Because that magical stone wasn't the only relic left in the woods...
