**Snail Mail: Rediscovering the Art and Craft of Handmade Correspondence** Michelle Mackintosh

Snail Mail reintroduces the lost pleasure and art of personal correspondence, beautiful presentation, and manners to today's world of instant communication. In a world of 140-character limits, Snapchats, text-speak, and internet trolls, are we losing the ability to really communicate with our loved ones? Snail Mail aims to bring back handwritten communication—and more—in one beautifully illustrated and perfectly proper little package. Inspired by Japanese stationery and letter-writing culture, Michelle Mackintosh introduces the reader to the charm of the handwritten letter, personalized packages, and handcrafted stationery. Beautifully illustrated and complete with cutout postcard designs, papercraft, and rubber stamp templates, Snail Mail is full of equally useful and whimsical advice, like how to say thank you in a letter and other old-school etiquette; how to take time and reflect on your life through writing; how to improve and celebrate your own handwriting; how to make your own paper; how to romance someone the old-school way; how to make pen friends and DIY beautiful invitations for any occasion. It's time to take back the written word!
