Calling All Cars, Volume 7

William Robson

Calling All Cars, Volume 7 William Robson

Calling All Cars was a popular crime drama heard from 1933 to 1939. One of radio's earliest and most durable police procedural shows, the series' stark and gritty realism is strongly reminiscent of Warner Brothers' gangster films of the 1930s - particularly with the presence of real-life LAPD dispatcher Jesse Rosenquist, whose unique voice and name became the show's trademark. Rosenquist contributed to the American lexicon the program's title and the now time-honored phrase "that is all".

None of the actors on the series ever received on-air credit, but sharp-eared radio fans can hear the likes of Elvia Allman, Jackson Beck, Charles Bickford, Gale Gordon, John Bigson, Richard LeGrand, and Hanley Stafford.

Episodes included: "The Case of the Long Bladed Knife", "Murder with Mushrooms", "The Case of the Pink-Nosed Pig", "Murder at Midnight", "The Case of the Ruined Suspenders", "The Case of the King's Ransom", "The Case of the Greasy Rail", "The 25th Stamp", "The Case of the Incorrigible Youth", "The Big Shot", "The Kase".
