What if you bought a 1968 Volkswagen microbus from a stranger, and when you started to clean it out you found an old notebook? And what if that notebook was actually the scrapbook of a Deadhead-telling the incredible story of one young man's groovy experiences traveling the country with his favorite band, collecting great friends and memorabilia along the way? Well, if you did, that scrapbook might look something like this. "Discovered" wedged beneath the back seat of a 1968 Volkswagen van, this brilliant scrapbook-filled with real-life memorabilia-celebrates the glory days of the Grateful Dead and the remarkable subculture that sprang up around the band's main appearances around the country. Deadhead Forever includes three decades worth of Dead lore and stories, plus more than 100 pictures, concert tickets, and other evocative souvenirs "pasted" onto the pages via drop-shadow photography.
