## **Empowered Millennial Investor: A Beginner's Guide to Investing** Michael Pawlowsky **Empower Yourself**

Millennials (those born between 1980-2000) are the most educated and technologically capable generation in Canadian history. But when it comes to the complex world of investments, taxes and retirement, many have no idea where to start.

The financial landscape has changed. Inadequate pensions and personal savings are forcing many seniors back to work. Millennials need to empower themselves with the knowledge and tools to ensure their financial independence in retirement.

Empowered Millennial Investor explains in simple terms the complex world of investing. Each section includes practical examples that demonstrate how taxes work, what investment options are available and what a millennial can expect from government pensions in retirement.

You can take immediate action to empower yourself with the knowledge and tools needed to ensure a bright financial future. **If you've always wanted to know more about investing, but didn't know where to start, this is the book for you.**
