## **In the Spirit of Hegel** Robert C. Solomon

The *Phenomenology of Spirit* was Hegel's grandest experiment, changing our vision of the world and the very nature of philosophical enterprise. In this book, Solomon captures the bold and exhilarating spirit, presenting the Phenomenology as a thoroughly personal as well as philosophical work. He begins with a historical introduction, which lays the groundwork for a section-by-section analysis of the *Phenomenology*. Both the initiated and readers unacquainted with the intricacies of German idealism will find this to be an accessible and exciting introduction to this great philosopher's monumental work.
