This is a brand new, complete PreCalculus math course offered by Math-U-See. The Teacher Manual is hard cover and the Student Book is in soft cover. **PREREQUISITE:** The student should have completed ALGEBRA 1, GEOMETRY and ALGEBRA 2, or comparable courses. To begin your study of a new topic, watch the DVD to learn the concept yourself, and see how best to present the new material. Have the students watch the video with you, if you think it would be helpful. The Teacher Manual provides written instructions, examples, and answer keys for each lesson. The instructions provide the written explanation for the new concept, and several examples illustrate the new concept. There are solutions in the back for the problems in the student material. The Student Text has four worksheets per lesson. The Test Booklet has one test per lesson (thirty lessons), four unit tests, and a final exam. These may be used to help determine mastery, or as extra worksheets. Includes: Student Text and Test Booklet.
