Their love is taboo. The crossing of wolveren bloodlines is forbidden. Yet Eirik, supreme alpha and king of the wolves, is tired of hiding his love for Gunnar. The last of his kind, he's cursed to be without a mate during his long life. He refuses his destiny and seeks solace with one of those closest to him.

King's guard Gunnar knew he could never expect to stand at the king's side when he let the man take him to bed, no matter how much he began to crave it over the decades. He'd given his life to be a member of the elite warriors, not a king's consort, but he can't stop wishing the king could be his.

Moments before Eirik can change the laws governing their world, an old enemy comes bearing a unique gift. Perhaps Eirik's not the last of his kind after all.
