The Point Where God and Man Meet M.R. Bawa Muhaiyaddeen

The Point Where God and Man Meet advises seekers how to undertake the daunting task of self-realization and succeed. Truly, Bawa Muhaiyaddeen's wisdom provides us with a "map" for that journey. To have such a map placed before us by one who knows the path perfectly is ever so rare. This map of one's inward journey illumines the "straight path" the most direct path to the realization of oneself and of God. Without such a map, it is easy to go astray, to encounter and succumb to danger.

From reader reviews:

Alan Johnson:

The book *The Point Where God and Man Meet* can give more knowledge and also the precise product information about everything you want. Why must we leave the good thing like a book *The Point Where God and Man Meet*? Several of you have a different opinion about guide. But one aim that will book can give many information for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or details that you take for that, you are able to give for each other; it is possible to share all of these. Book *The Point Where God and Man Meet* has simple shape but you know: it has great and big function for you. You can search the enormous world by available and read a publication. So it is very wonderful.

Thomas Welty:

The knowledge that you get from *The Point Where God and Man Meet* is the more deep you looking the information that hide inside words the more you get interested in reading it. It doesn't mean that this book is hard to know but *The Point Where God and Man Meet* giving you buzz feeling of reading. The author conveys their point in selected way that can be understood by simply anyone who read that because the author of this book is well-known enough. This particular book also makes your personal vocabulary increase well. Making it easy to understand then can go along with you, both in printed or e-book style are available. We suggest you for having this *The Point Where God and Man Meet* instantly.

Louetta Cantrell:

This *The Point Where God and Man Meet* is great publication for you because the content and that is full of information for you who always deal with world and have to make decision every minute. That book reveal it information accurately using great manage word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with wonderful delivering sentences. Having *The Point Where God and Man Meet* in your hand like having the world in your arm, info in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen tiny right but this reserve already do that. So , this really is good reading book. Hello Mr. and Mrs. active do you still doubt that?

Brian Rocha:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this *The Point Where God and Man Meet* can make you sense

more interested to read.
