Assassin's Creed IV: Black Flag is here and if you have played other titles of the series you can recognize that it is the 4th instalment. It is the sequel to Assassin's Creed III but has a totally new take on the game. Assassin's Creed and its series are very popular among gaming enthusiasts and history buffs because it combines historically accurate events and places in an action-adventure game. According to recent accounts, the franchise has sold more than 55 million copies of the series since it was introduced during the first quarter of 2013. Assassin's Creed IV is a totally different game since the creators have made it more historically correct plus the components of the game have been created to be more accurate too. Game fans have been looking forward to the best of the series and Black Flag has all the elements that players want to see.
