Kale Delaney wants to do everything in her power to stay out of a popular competition that is happening across college campuses. The competition allows one lucky winner to spend the day with an up-and-coming movie star, the gorgeous Taylor Jett. While Kale tries to keep her head down and avoid everything to do with the movie star, she finds herself accidentally winning. Kale is quickly shoved into a harsh spotlight while also trying to deal with Taylor Jett, who is just as arrogant and rude as she knew he would be. After spending some time with Taylor, however, she discovers the harshness of Hollywood and how Taylor may just be putting on a show to gain a fan base. Kale finds herself spinning in nation-wide controversies and asking herself: is this bad boy looking for publicity, or is he really in love?
