Laitale (Spanish Edition) Ana Morales

Confundida y con el cuerpo hecho pedazos Ellian despierta sin saber en dónde está o cómo llegó ahí. Su escasa memoria apenas le permite recordar su nombre y una ligera aproximación a la fecha en la que se encontraba. La cual no podría ni remotamente imaginar. El primo de su rescatador, Dylan, le dice que donde está no es la Tierra y que los rasgos de las personas nativas de Laitale difiere sólo en los ojos. A pesar de la incredulidad de Ellian, al ver que los ojos de él son igual que los de ella, Dylan le revela que él también era de la Tierra. Ellian confundida, asustada y temerosa intenta sobrevivir en un mundo totalmente distinto, lleno de bellezas naturales, seres hermosos y una forma de vida utópica que va más allá del entendimiento humano. Noche tras noche las pesadillas asechan a Ellian intentando advertirle de un peligro aun mayor del que ella se espera. Encontrando el amor incondicional de un hombre y de su familia ella se cree capaz de enfrentar cualquier cosa para salvar a tan hermoso lugar de las asquerosas garras del mal que la asecha. Llevándola así a cometer el acto más valeroso e insensato que jamás se creyó capaz de hacer. Su aventura se convierte en un viaje de auto reflexión sobre quiénes somos y nuestro lugar en el universo, las indestructibles conexiones entre un ser y otro y la manera tan irracional y hermosa en la que el universo actúa algunas veces.
