## **The Sand Dollar Club** Annetta Labarr

Spending time together at the beach always sparks exciting adventures for Ariana, Marisa, Sofia, Paul, and Samir. Summer means trips to the beach, providing the group of friends with many different experiences from seagulls, seashells, and time spent at Ms. Sarah's house! The friends form The Sand Dollar Club and learn about the incredible legend of the sand dollar and how to clean seashells. When the members of the club discover an environmental problem on the beach that could harm the seagulls, they make a plan to clean it up and make money as well. Collecting aluminum cans for recycling provides the club members with enough money to go to the ultimate summer fun stop--the water park! The lessons learned while cleaning up the beach inspire The Sand Dollar Club to continue their good deeds, and they decide to skip the water park for Ms. Sarah's Surprise.
