Have you ever wished you could go back to the good old days? John Surrey can. He's head of security for Timeshare Unlimited — a very special travel agency where you can arrange an extended voyage to the past, no passport required. For the paying customers, it's the ultimate vacation. But for John Surrey, it can be a very dangerous adventure... **SECOND TIME AROUND** When a famous young filmmaker goes missing while on vacation in the Roaring '20s, it's Surrey's job to track him down and bring him back to 2027. The search leads him from one end of the country to the other, from small-town America to gangland Chicago to New York City, where flappers flirt shamelessly by day and speakeasies rule the night. There, he'll find the missing man. And he'll discover the reason for his flight. It's a reason that John Surrey — who once bent time travel itself to try to save the woman he loved — can well understand. John Surrey's head is telling him to just do his job. His heart, however, has a mind of its own... **PRAISE FOR TIMESHARE...** "A lot of fun." —Locus "Engaging from the first page" —Mysterious Galaxy "A clever concept...well crafted...highly enjoyable" —Starlog
