Nine Famous Artists Your Children Will Love: An Art Discovery Primer & Handbook for Parents and Their Children Michael E., Jr. Napoliello

Michael Napoliello knows that children learn best when they're having fun, exploring their senses and exercising their imaginations, so he's chosen nine artists to explore in order to stimulate your child's imagination and to be the cornerstone for a life long love of learning through the appreciation of art. Mr. Napoliello's formula for why he chose these particular artists is fascinating. Not only does he entertain us with a brief bio on each artist, and provide stunning colorful examples of their work, he shows us how to visit a museum like a pro on the very first trip and explores art projects based on each artist's work that you and your children can do in your own kitchen. He also provides a complete art glossary as well as a comprehensive listing of most major museums in the U.S., along with their phone numbers, web sites and addresses. A must have for any parent with children from 5 to 15 years of age.
