THE BASTABLE CHILDREN TRILOGY (Illustrated). The Story Of The Treasure Seekers; The Wouldbegoods; New Treasure Seekers (Timeless Wisdom Collection Book 3562) E. NESBIT

This volume contains the complete BASTABLE CHILDREN TRILOGY, with 50 original black and white illustrations, by beloved author E.Nesbit, the grand-mother of children literature (a collection mentioned in the first line of The Chronicles of Narnia).

In "The Story Of The Treasure Seekers", after their father's business fails, the six Bastable children decide to restore the family fortunes. But although they think of many ingenious ways to do so, their well meant efforts are either more fun than profitable, or lead to trouble.

In "The Wouldbegoods"; after being sent away to the country because of a particularly unruly episode, the well-meaning but wayward Bastable children solemnly vow to reform their behavior. But their grand schemes for great and virtuous deeds lead to just as much mayhem as their ordinary games, and sometimes more.

In "New Treasure Seekers", the six Bastable children fill their free time with entertainments that don't always turn out as they plan. But whether telling fortunes at a party, unwittingly assisting an elopement, reforming their nasty cousin Archibald, or even getting arrested, it is all good fun, and usually for a good cause. This last book is a collection of short stories; some set BEFORE The Story of the Treasure Seekers; some set AFTER The Wouldbegoods.
