Eve's older sister Sam knows more than she should.

She's always thought Eve was way too good for Liam. And she doesn't like the way his work takes him to Australia and away from his adoring family all too often.

Meanwhile on the other side of the world, Brooke knows nothing. Until one day, a mysterious delivery arrives for her and promises to change her life forever.

It seems someone doesn't want Brooke to be the last to know ...
