Las batallas por Guatemala. Tomo 3 (Spanish Edition) Oscar Platero

La obra, pretende dar a conocer en un lenguaje sencillo, a quienes lo vivieron a distancia o a quienes no lo vivieron, que son en su gran mayoría, jóvenes desinformados, sobre lo acontecido antes, durante y después del EAI (Enfrentamiento Armado Interno); la realidad histórica, sobre nuestro pasado reciente. A la fecha, se han escrito muchas obras desde la óptica de quienes fueron derrotados en sus intenciones por hacerse del poder por la vía de las armas, para imponer un sistema basado en la ideología marxista leninista. La permanente ingerencia extranjera, basada en intereses geopolíticos, ha desdibujado y manipulado los acontecimientos vividos durante esa aciaga época de nuestra historia; por lo que replicar con una versión apegada a la realidad, se hacía necesario. El compendio esta dividido en siete tomos, de los cuáles. los primeros dos fueron recientemente publicados.
