## **Aftermath (Unforeseen Duology)** Keith McArdle

Mick and his family have returned home to the farm following Indonesia's withdrawal. But thousands of battle-hardened enemy soldiers remain hidden in the forests and hills, ready to strike when they are least expected. This fight will take Mick to the limit, and protecting his family will require all his strength and determination.

Jimmy and Spud lead a platoon through the Australian scrub on relentless guerrilla strikes. But when they find themselves outnumbered and outgunned, it might have all been for nothing.

A new Australia will rise again ... or will it?
