Caught Austin Adams

Miles Lewis had been extremely busy with work over the last month. Working in an electrical company, it seemed like the projects were just never going to end. Finally, on this very day, all of the work orders were finally done, and it was time to take the rest of the day off. In the best mood possible, he made the trip home in order to take his wife, Daphne, out for a lunch date.

There had been some unspoken tension in the air between them, but he knew once they were able to get back to their normal lives there wouldn't be any issues. Miles loved Daphne, and there was nothing that would make him stop.

When he unlocked the front door and walked into the house, the smile on his face fell as he entered the eat in kitchen. What he found reversed his mood completely, and lit a fire under him. What was he supposed to do about Daphne blatantly disobeying him at their own kitchen table?
