Colors! ¡Colores! (English and Spanish Edition) Jorge Luján

Noted Mexican poet Jorge Luján and South Africa's illustrious illustrator Piet Grobler have teamed up again to produce this exquisite celebration of color. As day turns into night, young readers see fleeting, evocative glimpses of the qualities inherent in a range of colors. An antelope and a group of children are pictured inhabiting this delicate world. This bilingual book presents a gorgeous vision of a planet in which nature, words, and the rising and setting of the sun and the moon exist in harmony.
