Cats have long been a favorite subject of cartoonists. From Jim Davis's Garfield to Patrick McDonnell's Mooch, cartoon cats make us laugh. Now in the form of Solange the Siamese, Brooke McEldowney has successfully captured the endearing qualities that make a cat, well, a cat: the way they cannot resist dark fabric, their unflinching indifference to squalid humanity (unless, of course, said humanity comes bearing treats), and their advanced heat-seeking technology that leads them to the warmest laps and the coziest corners. Readers will grin with recognition at each of these humorously illustrated hallmarks. The result is a delightful field guide to a cat's moods, motivations, and behaviors. Ever since it appeared as a recurring theme in the comic strip 9 Chickweed Lane, Hallmarks Of Felinity has attracted a large and devoted readership of its own. Longtime fans and newcomers alike will enjoy this charming gift book.
